28 We will be using an online form to conduct the subject options exercise. Your child/ward will need to log into his/her ICON email account to select his/her preferred Sec 3 subject combinations. The online form will be available for submission from 22 October Wednesday to 27 October Monday. Please review with your child/ward his/her academic performance, aptitude and career aspirations to help him/her make his/her subject combination choices. For **students who do not submit** their choices, the school will assign them subjects according to their overall results.

29 Do note that the actual number of subject combinations that will finally be offered will depend on a number of factors, such as the number of students who apply for and are eligible for the various subject combinations.

30 Results will be emailed to your child/ward's ICON email account on 7 November Friday.

Ultimate Class Challenge Prize Day – 23 October Thursday

31 The Ultimate Class Challenge is a competition the school conducts to encourage our students to participate actively in school activities as a class, such as through recycling and joining inter-class sports competitions. This year, the winning class of each level will be awarded with a lunch buffet treat at Captain Kim's BBQ Korean BBQ & Hotpot (Halal) at Grantral Mall (Clementi) on 23 October Thursday. Details will be sent to the students of the winning classes via Parents Gateway closer to the date.

Last Day of School – 24 October Friday / Holiday Assignments

32 Please note that 24 October Friday is the last day of school for the year. On this day, students will take part in our "Keep Your Classroom Clean" campaign. They are required to bring a cleaning cloth to help spruce up their classroom, while the school will provide the other necessary cleaning materials.

33 To help your child/ward revise key topics and prepare for the following year, subject teachers may identify some assignments to be done in November – December. We appreciate your support in ensuring that your child/ward completes the assignments and spaces out his/her revision over the holidays so that he/she will also have sufficient time to deliver quality work and have adequate rest and relaxation before school reopens. These assignments are to be handed in, in Week 2, Term 1, in 2026.

34 A number of activities will continue to take place until 15 November, e.g. Student Leadership training, specific CCA practices and enrichment activities. The respective teachers-in-charge of these activities will be informing you of the schedule and your child's/ward's commitment through Parents Gateway.

Sec 3 Level Camp 2026: 7 January Wednesday to 9 January Friday

35 The non-residential camp aims to develop self-motivation, positive and responsible attitude towards achieving personal effectiveness, as well as to foster stronger relationship and cohesiveness in teams. It will be held on 7 January Wednesday to 9 January Friday. Details will be sent via Parents Gateway closer to the date.

Travel Declaration

38 For our necessary monitoring, the school will be sending out a message via Parents Gateway for you to indicate your travel plans. A declaration is NOT required if your child/ward does not intend to travel overseas.

Student Well-Being

39 As the school exams draw near, please also encourage your child/ward to pay attention to nutrition and getting enough rest. Exercising good personal hygiene helps everyone stay safe, as does social responsibility. If your child/ward is unwell, e.g. with flu symptoms, please ensure that he/she wears a mask and seeks medical attention. The school thanks all parents for their cooperation in keeping the school a safe place for all.
